ABOUT

I am an international student from Thailand who received a fully-funded merit scholarship from the Royal Thai Air Force to pursue a Mechanical Engineering degree at Virginia Military Institute. My academic interests include engineering, artificial intelligence, and mathematics, with a focus on applying these fields to complex problems. I plan to continue my studies in graduate school to advance my research in these areas.

EXPERIENCE

Technical Services Assistant, *Virginia Military Institute — Lexington, VA* Aug 2025 – Present
Help manage the organization and upkeep of Preston Library's collection, including handling new books, cataloging materials, and updating records in a technical services capacity.
